Dear Students, Parents, and Guardians:

We take the safety, security, and well-being of everyone at BCTHS as our number one priority. Following the safety precautions that were put in place today due to an anonymous threat, we anticipate a typical school day on Thursday, October 10. Please remember that students are off on Wednesday, October 9 for Yom Kippur.

We continue to work in concert with the Bristol Township Police to identify the source of the threat. BCTHS takes threats such as this one very seriously. This was a disruption to the health, safety, and welfare of our students and staff, and the person responsible for this threat will be pursued to the fullest extent according to school regulations and state laws.

Please note that our staff and counselors are always available for any student who feels anxious and/or needs support.

We anticipate a typical school day on Thursday but if anything changes, you will be notified as soon as possible.

BCTHS is a great school and a safe school and we plan to keep it that way.

Thank you.

Leon Poeske, Ed.D.
Administrative Director
