A campus of Bensalem, Bristol Borough, Bristol Township, Morrisville, Neshaminy & Pennsbury School Districts

NURSES OFFICE

The School Nurse's Office is located next to Pupil Services, in H-Hall. Our Certified School Nurses, Mrs. Denise Liberto, RN and Mrs. Katie Engelhardt, RN are available to provide care in case of injury or illness, dispense medication, perform mandated screenings, maintain school records, provide health counseling/referral, and assist your student with any other health related needs.

The Nurse's Office is open from 8:10 am until the close of the school day; the office is closed first period, except for emergencies. All illnesses and injuries occurring during the school day must be reported to the Nurses Office where a nurse will evaluate and treat within the scope of the nursing practice and under the orders of our school physician.

Every attempt will be made to keep the student in school to promote academic success. If necessary, the parent/guardian will be called to arrange transportation home. In order for a student to leave the building, the parent/guardian or designated person must come into the building to pick up the student. If a child drives to school, he or she will not be permitted to drive home unless the nurse and the parent/guardian agree that the child is safe to drive home. In case of an emergency or serious injury or illness, an ambulance (9-1-1) will be called.

***Please remember that non-school injuries should be treated at home and are not the primary responsibility of the school. Likewise, when illness or medical problems originate at home, treatment should be initiated prior to coming to school. Decisions about when to stay home from school should be in accordance with the Bucks County Department of Health recommendations.

If you have any other questions, we are available by e-mail at dliberto@bcths.com or kengelhardt@bcths.com or from 7:00 a.m. to 2:30 p.m. by contacting the Nurse's Office by contacting us at 215-949-1700 ext.2186.
