RE: Returning to 25% Hybrid on 01/14/21

Dear BCTHS Students, Parents, Staff, and Community:

I hope everyone was able to get some sort of break during the past Holidays. I am hoping that 2021 brings an end to the Coronavirus Pandemic and that a vaccine is available to all of us soon.

BCTHS will return to its 25% Hybrid model for students on their technical rotation on Thursday, January 14, 2021. This is a "Day 7" in the rotational calendar (9th grade Tech). This will be the same model/schedule that we previously had, whereby students on their technical rotation will come in every other day for hands-on learning. Academics will remain in a full remote mode.

25% Hybrid Model (tech side) beginning Thursday, January 14, 2021

BCTHS Hybrid Model with In-Person Tech (CTE) @ 25% capacity												
Gr.	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Day 8	Day 9	Day 10	Day 11	Day 12
9	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Tech In-person	Electives Remote	Tech In-person	Electives Remote	Tech In-person	Electives Remote
10	Tech In-person	Tech Remote	Tech In-person	Tech Remote	Tech In-person	Tech Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote
11	Tech Remote	Tech In-person	Tech Remote	Tech In-person	Tech Remote	Tech In-person	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote
12	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Academic Remote	Tech Remote	Tech In-person	Tech Remote	Tech In-person	Tech Remote	Tech In-person

BCTHS students attend academic and Tech (CTE) classes on a 12-day rotational schedule, whereby half of the students are in academic classes while the other half are in Tech programs. In this model, students receive in-person/in-school learning half of the time they are in Tech programs ("half of half" = 25% capacity).

BCTHS will continue to monitor COVID cases within the county and our school and you can view our school cases on our [Dashboard](#). Remember, if your child is not feeling well or has possible COVID symptoms, please do NOT send him/her to school and contact our school nurses at Nurses@bcths.com.

BCTHS continues to be optimistic that at some time we will be able to bring students in for in-person learning for academic classes (50% Hybrid Model), but this will not occur until the region sees a drastic reduction in COVID cases. Unfortunately, COVID continues to take its toll on us but we will eventually get passed this!

Please continue to wear your masks, wash your hands, and remain socially distant from others.

Thank you for your continued patience and understanding in these tough times.

Leon Poeske, Ed.D.
 Administrative Director
